- When you purchase a Metropass, you also can purchase a \$5 monthly parking permit.
- You can buy a Metropass, tokens, or discount passes at the Transit Service Center on the second level of Government Center Metrorail station (downtown Miami), Monday - Friday, 7 a.m. - 6 p.m., except during major holidays. You may also purchase these passes at the Civic Center Metrorail station the last five weekdays of each month and the first weekday of the following month, from 7:30 a.m. - 4:30 p.m. (it closes from noon - 1 p.m.).

- You may also purchase a \$5 monthly parking permit when purchasing a Discount Metropass.
- Proof of ID is required. Medicare recipients must show their Medicare card to purchase a Discount Metropass. People with disabilities must provide a doctor's letter indicating the type of disability and whether that disability is permanent.

Reduced Fare Permits

- Non-residents, Medicare recipients, most people with disabilities, and youth in grades 7-12 also can ride Metrorail at a reduced 60¢ rate with the purchase of a 50¢ rail reduced-fare permit. Youth in grades 1-6 do not need to purchase a permit. Each reduced-fare permit is good for one month. Permits can be purchased six at a time.
- Students must apply for the permit in person using a valid school ID. People with disabilities may use their reduced-bus permits, or reduced-fare-rider identification, to buy the reduced-fare-rail permits. The reduced-fare identification may be obtained at the Transit Service Center at the Government Center Station.

College Metropass

- College students registered full time at a Miami-Dade County college or university may purchase a \$45 College Metropass.
- These passes can only be purchased at the campus bookstore or in the bursar's office of participating colleges and universities.

Group Metropass

Welcome to Metrorail

Our state-of-the-art rail system runs through the heart of Miami-Dade County, from Southwest Kendall to west of the Palmetto Expressway in Medley. The 22.4-mile system has a station at one-mile intervals, with the Palmetto Station being the most recent addition.

Metrorail connects with a large number of Metrobus routes (see list on the Metrorail map), as well as with the 67-mile Tri-Rail system serving Miami-Dade, Broward, and Palm Beach counties.

For easy access to Downtown Miami, exit Metrorail at the Government Center Station, or the Brickell Station, and transfer to the free Metromover, an elevated-people mover that has stops in 20 locations around downtown, Omni, and the Brickell business district.

Hours of Operation

Metrorail, Metromover's Inner Loop, and selected connecting bus routes operate 24-hours a day, seven days a week. Metromover's Outer Loop operates from 5:30 a.m. to midnight.

quarters, dimes, or nickels. Take your receipt before boarding the train and keep it until returning to your car.

- Only riders who use a Metropass or a Golden Passport can buy a \$5 monthly parking permit. These permits may be purchased at the Transit Service Center at the Government Center Station. With a permit, there is no daily charge to park. However, the permit must be displayed at all times on the rearview mirror and be visible to the parking enforcement officer to avoid being ticketed.
- Although Metrorail doesn't offer parking at the Government Center, Brickell, Culmer, Civic Center, and Santa Clara stations, there are many municipal and privately-run parking lots that are within walking distance from these stations.

Miami-Dade Transit is Wheelchair Accessible

- Metrorail, Metromover, and Metrobuses are fully wheelchair accessible.
- Please call Transit Information at 305-770-3131 for complete information on wheelchair accessibility on Metrobus. You may also log onto www.miamidade.gov/transit and click on the Accessible Services link, or refer to other transit

publications, such as the Rider's Handbook and the Transit Rider's Handbook for Senior Citizens and People with Disabilities.

- If any barriers prevent you from approaching a bus stop while using your wheelchair, or if they interfere with your boarding or exiting the bus, call 305-654-6586 weekdays, 8:30 a.m.- 4:30 p.m.

Bike and Ride on Transit

- Now you can bike and ride on Metrorail and many Metrobus routes. The expanded Bike & Ride program allows cyclists to take their bicycles to just about anywhere in Miami-Dade County.
- The Bike & Ride program requires a permit. To get one, visit the Transit Service Center at the Government Center Station, or stop by your neighborhood Team Metro office, Monday-Friday, 8 a.m.-5 p.m. For the nearest office location, call 305-375-5656.

The permit is issued free to cyclists 12 years of age and older. However, you must learn a few safety rules and pass a brief quiz to get the permit. Children under 12 years of age can use the bicycle racks on buses when accompanied by a cyclist with a valid Bike & Ride permit.

- When riding on Metrorail, pay the regular fare at the

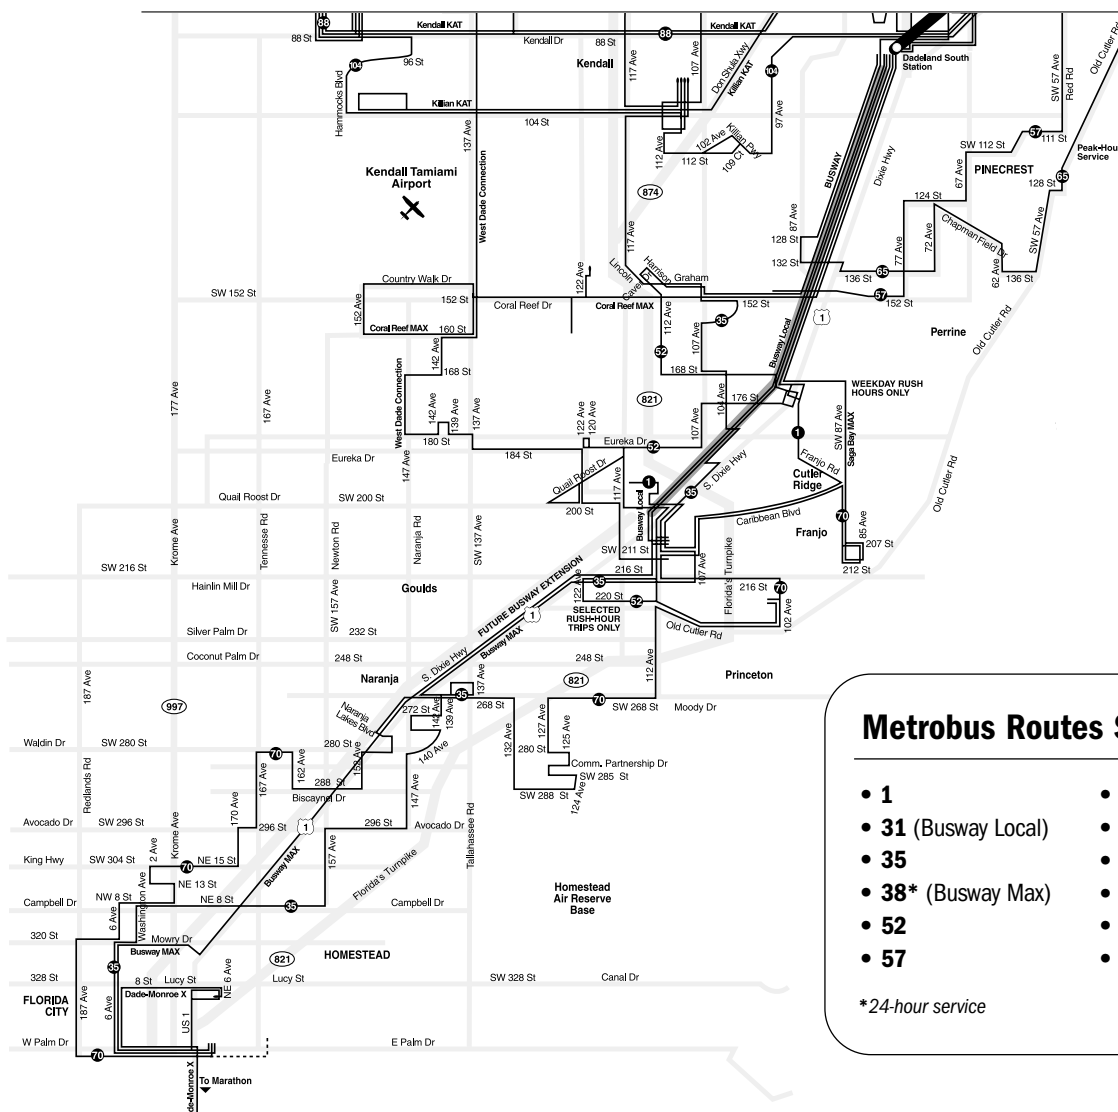

turnstile nearest the entrance gate for people with disabilities. Then roll your bike through the gate and take the elevator to the train platform. At the new Palmetto Station, which is at ground level, simply roll your bike through the gate and onto the platform. After all other passengers enter or exit the train, enter the last train car with your bike through the first or last door.

- For more details on bike lockers and maps, please call the Miami-Dade bicycle/pedestrian coordinator at 305-375-4507. To receive a free brochure, call Miami-Dade Transit at 305-770-3131 (or 305-891-3131 for residents living south of SW 216 Street), Monday - Friday, 8 a.m. - 5 p.m. You may also visit www.miamidade.gov/transit and download a brochure you can print at home.
